FloridaVoterGuide.com is a non-partisan tool by the Florida Tea Party and grassroots organizations to help educate and empower voters. In today's world, most people don't have time to compare websites, voting records, do background research, etc. Our solution is to provide simple candidate cards and information, because we believe that most Americans do care about their government and want to vote for the right person.

Florida Tea Party is coalition of tea party groups in Florida that work together on sharing information, resources, and coordinating events. The Tea Party is dedicated to America's founding principles of Fiscal Responsibility, Limited Constitutional Government, and Free Markets. The Tea Party mission is to unite like-minded individuals, educate and inform others based on these founding principles and to secure public policy consistent with these core values.
